- Fast, easy application
- Temporary and permanent solutions
- Corrosion and UV resistant
- Broad product selection

Hose Repair

BAND-IT® clamps can be quickly installed and provide leak free hose assemblies safely securing fittings into industrial hoses. BAND-IT® offers four styles of preformed clamps manufactured with materials ranging from economy to highly corrosion resistant type 316 stainless steel for chemical transfer hose.

Cable & Device Hanging

BAND-IT® products specialize in both temporary and permanent hardware attachment. Whether you are hanging security cameras or bundling cables throughout the facility, BAND-IT® has a product line providing a solution for your needs.

Sign Hanging

BAND-IT® manufactures the sign hanging products that your facility needs to securely hang permanent signage. Additional BAND-IT® products can be utilized to hang Speaker and PA systems, surveillance cameras and other directional signage quickly and professionally.

Safety & Identification

Identify predictive maintenance schedules on machinery with new BAND-IT® COLOR-IT® banding products. Also utilize COLOR-IT® to identify pipelines throughout the facility including: hot water, steam, cold air, fresh air, and stale air returns. Create custom tags or use EZ Read stainless steel identification letters to identify hose and equipment tooling.

General Maintenance & HVAC

BAND-IT® products can be used to quickly fix, fasten or repair most anything. Need to move or re-secure existing ductwork? Use BAND-IT® Scru-Seal banding products to complete your task in no time.
