

# BAND-IT

THE ULTIMATE FASTENING SYSTEMS

## CP4000-D CENTER PUNCH CORDLESS TOOL

Speed and Convenience of a Power Tool,  
Portable Like a Hand Tool

BAND-IT's new heavy-duty tool offers consistent max clamping force for reliable clamp installation anywhere in the shop or in the field. Built on the proven 4000-D platform for easy and intuitive use.

### PRODUCT FEATURES

- Integrated cutoff handle reduces operator fatigue from repeated motion
- Powered by a 5.2AH Lithium Ion battery - Install up to 400 clamps with a single charge (battery life varies by application and clamp type)
- Tool weighs just 8.34 lbs. for easy portability and field use

Hose Fitting Secured with BAND-IT Preformed Center Punch Clamps and CP4000-D Tool

### CENTER PUNCH BANDING

Compatible with BAND-IT 5/8" Center Punch Clamps in 201 SS or Galvanized as well as Center Punch Band Fast with COLOR-IT®.
